

Our organization boasts a diverse array of offerings, including a boxing club, campus police affiliation, sales team, educators, eight deans, a president and founder. We are dedicated to training ministers through hands-on experience under the guidance of pastors in their respective areas, where we also establish church sites. Embracing men and women equality in ministry, we provide a seamless online application process and offer comprehensive computer training.

Additionally, our life management class equips individuals with essential skills to navigate society effectively, covering topics such as computer literacy, practical math, financial management, business acumen, stress management, and basic biblical teachings. We proudly retail a range of products, from clothing to various items, and award scholarships to 20–30 deserving students annually.

Operating in multiple countries, including the USA, DRC Congo, UK, South Africa, Ghana, Canada, Mexico, Brazil, and France, we uphold a commitment to quality education by adhering to a rigorous accreditation process. Our degrees follow a standardized two-year timeline for completion, ensuring a thorough and comprehensive educational experience.

Our dedicated sales team is readily available to assist you in navigating our website and finding the resources you need.
